

## CHARDSTOCK ST. ANDREWS CHURCH - MARRIAGES

**Sources:** 1579 to 1582 Bishop's Transcripts held at Wiltshire Record Office  
1597 to 1939 Chardstock Parish Registers held at Devon Heritage Centre

The transcripts for the period 1597 to 1939 were made by members of Chardstock Historical Record Group (CHRG) and are based on the originals of the Parish Registers.

For a small number of entries, the original registers have been damaged and some information is either missing or illegible.

While every effort has been made to ensure that the transcripts are as accurate as possible, errors can sometimes occur. Should you encounter any problems, please contact us by e-mail [chrg@btinternet.com](mailto:chrg@btinternet.com) and we will do our best to help.

When using this site the following points should also be borne in mind:

Abbreviations have been avoided wherever possible and full stops have not been used in names, thus Wm C. Watts in the register appears as William C Watts in the transcription.

In cases where other research has produced an alternative to the transcribed version, that alternative is either added as a note or shown alongside the transcribed version in [ ] brackets, provided the alternative has an equal or greater likelihood of being the correct or preferred version.

### TIMELINE

The earliest entries recorded just the date and names of the bride and groom. Gradually more information was added, sometimes at the behest of the Vicar, but more often as a result of new legislation.

**1653 Commonwealth Marriages Act** which created the position of Registrar for each parish. He was required to check the names and place of abode of the bride and groom, ensure proper consent of their parents or guardians and arrange for publication of the intended marriage for at least three weeks prior to the ceremony. The marriage then had to be solemnised before a Justice of the Peace. From this date the place of abode of bride and groom was recorded, as were some details of the parents.

**1660 Restoration of Charles II.** From this date the place of residence of bride and groom continued to be recorded, but additional information regarding parents gradually lapsed.

**1752** Britain changed from the **Julian to the Gregorian calendar** in September, 1752 in order to bring the country into line with Catholic Europe. 11 days were lost between the 3rd and 14th September. 1752. At the same time the official start of the year was changed from 25th March to 1st January. This transcription records baptisms between 1st January and 24th March in those years prior to 1752 as, for example, 12.3.1661/2. The first year (1661) is the date under the Julian or Old Style calendar and the second (1662) that under the Gregorian or New Style calendar.

**1754 Hardwicke's Marriage Act (1753)** which became Law on 25th March, 1754. Also known as "An Act for the Better Prevention of Clandestine Marriage". It was the first statutory legislation in England and Wales to require a formal ceremony of marriage. Marriages had to be witnessed and the witnesses names and signatures were recorded in the Register. Also, information was generally recorded on the status and occupation of the bride and groom.

**1813 George Rose's Act (1812)** which became Law on 1st January, 1813 stipulated that all registers had to be pre-printed with standardised layout and content. From this date, the amount of information recorded increased considerably

## **CHARDSTOCK MARRIAGE REGISTER SPECIAL NOTES FOR PERIOD 1808 TO 1812**

There are eight entries in the Parish Registers, which appear to cover the period from February, 1808 until the start of a new book from 1st January, 1813, as required by Rose's Act. A closer inspection of the register shows that some entries are missing and others

have dates which are clearly suspect. The indication is that, while the information on names etc. is correct, the dates were either incorrectly recorded at the time, or have been subsequently changed.

It is suggested that for this four year period some marriages were recorded on loose sheets of paper, kept in the back of the Register, but lost by the time the records were lodged at the Devon Records Office at Exeter.

By using information from the Chardstock Marriage Register (CMR), the Chardstock Banns Register (CBR) and the Bishop's Transcript (BT) of the Marriage Register, it is possible to piece together the list of marriages as shown below. This should not be considered the definitive version, but is, we believe, the best that can be achieved from the information available.

Also for reasons unknown, the reading of Banns at Chardstock does not seem to have been officially recorded from April, 1812 to November, 1823.

5.4.1808	John	DUNSTER	Chardstock
	Mary	POGGER	Chardstock

*Notes: Date of marriage taken from BT and is consistent with the Banns having been read on 21.2.1808, 28.2.1808 and 6.3.1808 (CBR).*

15.6.1808	John	PINNEY	Chardstock
	Ann	PINNEY	Chardstock

*Notes: Date of marriage taken from BT and is consistent with the Banns having been read on 29.5.1808, 5.6.1808 and 12.6.1808 (CBR).*

4.10.1808	Charles	SEWARD
	Ruth	KEETCH

*Notes: Date of marriage taken from BT, but should be viewed with some suspicion due to the relatively long gap between the Banns having been read on 24.4.1808, 1.5.1808 and 8.5.1808 (CBR) and the marriage.*

5.1.1809	John	BARTLETT	Yeoman	Netherbury
	Prudence	TYTHERLEY		Chardstock
		Witnesses	Frances Bartlett & Mary Tyderleigh	

*Note: The groom is recorded as the son of Elizer Bartlett.*

*Further notes: Details and date of marriage taken from CMR, as this is the only information available; there being no record of the marriage in the Banns Register or Bishop's Transcripts.*

11.1.1809	George	GRUBHAM	
	Mary	ASH [AISH]	widow

*Notes: Date of marriage taken from BT and is suspect because the Banns are recorded as having been read on 8.4.1810, 15.4.1810 and 22.4.1810 (CBR)*

8.5.1810	Isaac	CHUBB		Chardstock
	Susanna	BACKHOLER		Chardstock

*Notes: Date of marriage taken from BT and is consistent with the Banns having been read on 15.4.1810, 22.4.1810 and 29.4.1810 (CBR)*

19.8.1810	John	COLLIER		
	Harriett	BOND		

*Notes: Date of marriage taken from BT. Shown as a marriage by Licence, so does not appear in the Banns Register.*

26.8.1810	Robert	LARCOMBE		Chardstock
	Sarah	TUCHER [TYTCHER]		Chardstock

*Notes: Date of marriage taken from BT and is consistent with the Banns having been read on 22.7.1810, 29.7.1810 and 5.8.1810 (CBR)*

21.3.1811	James	PINNEY	Widr	Chardstock
	Susan	BRAGGE		Chardstock
	Witnesses	Pharus Pinney & Maria Pinney		

*Notes: Information taken from CMR. Date of Marriage taken from CBR as it is consistent with Banns having been read on 24.2.1811, 3.3.1811 and 10.3.1811. However, the CMR records the date of marriage as 21.3.1809 and the BT records it as 21.3.1810.*

4.9.1811	Charles	PHILLIPS		Chardstock
	Eve	LARCOMBE		Chardstock

*Notes: Date of marriage taken from CBR as it is consistent with the Banns having been read on 18.8.1811, 25.8.1811 and 1.9.1811. The BT records the date as 4.9.1810*

9.9.1811	William	LARCOMBE	Widr	Chardstock
	Elizabeth	TUCKER	Wid	Chardstock
	Witnesses	William Dimond & Eliezer Dening		

*Note: Both bride and groom signed with their Mark*

*Further Notes: Information taken from CMR. Date of Marriage taken from CBR as it is consistent with Banns having been read on 25.8.1811, 1.9.1811 and 8.9.1811. However, the CMR records the date of marriage as 9.9.1808 and the BT records it as 9.9.1810.*

15.1.1812	John	ELLIOTT		Symondsbury
	Sarah	BURRIDGE		Chardstock
	Witnesses	Martha Beer & Eliezer Dening		

*Note: The bride signed with her Mark*

*Further Notes: Information taken from CMR. Date of Marriage taken from CBR as it is consistent with Banns having been read on 29.12.1811, 5.1.1812 and 12.1.1812. However, the CMR records the date of marriage as 15.9.1808 and the BT records it as 15.1.1812.*

31.3.1812	Robert	APLIN		Chardstock
	Martha	TRUMP		Chardstock
	Witnesses	Henry Liddon & Eliezer Dening		

*Notes: Information taken from CMR. Estimated date of Marriage taken from CBR as it is consistent with Banns having been read on 1.3.1812, 8.3.1812 and 15.3.1812. However, the CMR records the date of marriage as 31.9.1808, while it is not recorded at all in the BT records.*

29.5.1812	William	CUSSINS		Chardstock
	Susanna	COMBS		Chardstock
	Witnesses	Henery Summers & Eliezer Dening		

*Note: The groom's name is recorded as both Cussins and Cossins*

*Further Notes: Information taken from CMR. Date of Marriage taken from BT as it is consistent with Banns having been read on 12.4.1812, 19.4.1812 and 26.4.1812. However, the CMR records the date of marriage as 29.9.1808.*

25.12.1812	John	PAINE		Axminster
	Rachel	CHARD		Chardstock
	Witnesses	Mary Ann Chard & John Pryer		

*Notes: Information taken from CMR. Date of Marriage taken from BT as this seems the most likely. However, the CMR records the date of marriage as 25.12.1808. There is no record in the Banns Register, so it may have been a marriage by Licence.*

**1813 George Rose's Act (1812) which became Law on 1st January, 1813 stipulated that all registers had to be pre-printed with standardised layout and content.**
