

ST. ANDREW'S SCHOOL - REGISTER OF ADMISSIONS 1867 TO 1919

© Chardstock Historical Record Group (CHRG) 2017

* This transcription was made by members of the Chardstock Historical Record Group (CHRG) from scanned copies of the original registers and covers the period 1867 to 1919. For information on pupils who started to attend St. Andrew's School after 1919, please contact us by e-mail chrg@btinternet.com

* Researchers should be aware that the registers were for internal school use only and were not completed to the same standard as other official documents such as censuses and civil registration. It is clear that many Christian names recorded in the registers are those by which the children were known or called at school rather than the name(s) under which they were baptised or registered.

* The first 120 entries, covering the period 1867 to 1875, are completely out of date order, suggesting that the register was actually started circa 1876 with information copied from previous records.

* Due to relatively high numbers of readmissions, all information on individual pupils is combined, in date order, under the first date of admission.

* Shortening of forenames has been avoided wherever possible with full names being given in the transcription.

* In cases where other research has produced an alternative to the transcribed version, that alternative is shown alongside the transcribed version in [] brackets, provided the alternative has an equal or greater likelihood of being the correct or preferred version.

* While every effort has been made to ensure that the transcripts are as accurate as possible, errors can sometimes occur. Should you encounter any problems or queries, please contact us by e-mail chrg@btinternet.com and we will do our best to help.

Educational Standards

Pupils were assessed on the standards achieved in reading, writing and arithmetic (the three Rs) and progressed from standard 1 to 6 according to their abilities. This transcription records the standard attained prior to leaving, provided it has been recorded in the register. Below is listed the six *Standards of Education* as contained in the *Revised Code of Regulations 1872*.

Standard 1

- Reading: One of the narratives next in order after monosyllables in an elementary reading book used in the school
Writing: Copy in manuscript character a line of print and write from dictation a few common words
Arithmetic: Simple addition and subtraction of numbers of not more than four figures and the multiplication table to multiplication by six

Standard 2

- Reading: A short paragraph from an elementary reading book
Writing: A sentence from the same book, slowly read once and then dictated in single words
Arithmetic: The multiplication table and any simple rule as far as short division (inclusive)

Standard 3

- Reading: A short paragraph from a more advanced reading book
Writing: A sentence slowly dictated once by a few words at a time, from the same book
Arithmetic: Long division and compound rules (money)

Standard 4

- Reading: A few lines of poetry or prose at the choice of the inspector
Writing: A sentence slowly dictated once, by a few words at a time, from a reading book, such as is used in the first class of the school
Arithmetic: Compound rules (common weights and measures)

Standard 5

- Reading: A short ordinary paragraph in a newspaper or other modern narrative
Writing: Another short ordinary paragraph in a newspaper or other modern narrative, slowly dictated once by a few words at a time
Arithmetic: Practice and bills of parcels

Standard 6

- Reading: To read fluency and expression
Writing: A short theme or letter, or an easy paraphrase
Arithmetic: Proportion and fractions (vulgar and decimal)
