

PARISH OF WAMBROOK**1881 CENSUS****RG11/2385**

The census was carried out on the night of 3rd April 1881 and closely followed the format of the previous censuses taken between 1851 and 1871. The head of the family had to be defined as did the relationship to the head of each person staying in the house that night. The gender of each person was also recorded. Accurate ages were required throughout and were taken from the person's last birthday. For infants under one year, the age was recorded either in months (m), weeks (w) or days (d). The rank, profession or occupation of each person was recorded and "Where Born" had to be completed by giving the county and town or parish of birth.

An analysis of the recordings for Wambrook is tabled below:

| Age Group | | |
|------------------|-----|-------|
| Under 10 | 68 | 25.8% |
| 10 to 19 | 61 | 23.2% |
| 20 to 29 | 26 | 9.9% |
| 30 to 39 | 41 | 15.6% |
| 40 to 49 | 19 | 7.2% |
| 50 to 59 | 17 | 6.5% |
| 60 to 69 | 22 | 8.4% |
| 70 to 79 | 6 | 2.3% |
| Over 80 | 3 | 1.1% |
| Total | 263 | |

The census recorded 140 males (53.2% of total) and 123 females (46.8%)

There were 48 occupied dwellings, which produced an average of 5.5 persons per dwelling. One uninhabited dwelling was recorded at Higher Wambrook.

The transcript was made by members of CHRG from copies of the original documents. When extracting information from this transcript, the following points should be noted:

* In 1881 Wambrook formed part of the County of Dorset, as the transfer to Somerset did not occur until 1896.

* Although the overall standard of the return is considerably better than those for previous years, there are still some cases where the census return has been incorrectly completed. "Notes" have been added to correct any obvious errors.

* Shortening of forenames has been avoided wherever possible with full names being given in the transcription. Also, full stops have not been used in names, thus Wm. C. Larcombe in the census return would appear as William C Larcombe. By the same logic the town or Parish of birth is given in full, whenever possible.

* In the transcription the column headed "Mar" uses the abbreviations M for Married, U for Unmarried and W for Widow or Widower.

* To save space and achieve consistency, the place of birth is given first, followed by the county, indicated by the use of the "Chapman County Code" system. The codes used in this Census are listed below:
